

Water Connections

WATER & SEWERAGE CERTIFIERS

LODGEMENT CHECKLIST

Before you begin your application, ensure you have access to the following information:

- Water Connections quote reference and amount
- Street address and real property description (lot and plan number) of the site
- The Council's or certifier's DA reference number
- A copy of the decision notice (if already approved)
- A copy of the approved plans (if already approved)
- A copy of the infrastructure charges notice (if already issued)
- the written consent of the land owner (download our standard [written consent letter](#))
- Proposal Plans - drawn to scale, showing the water and sewerage design plans. Your plans should also include, where relevant:
 - preferred water meter locations and / or manhole locations (with dimensions)
 - relevant nearby structures such as fences and buildings
- credit card details for payment of application fee
