

**Glen Wright**  
Director

**CORE SKILL**

Town Planning | Project Coordination | Educational Developments

Glen has more than 20 years experience in the development industry, and specialises in co-ordinating large, complex development applications involving multiple stakeholders. During his career, he has undertaken projects for both private and public sector clients and has worked for town planning, architectural and surveying practices, as well as local government. Glen's knowledge of planning and development legislation and policy is second to none, and his broad range of experience has resulted in his involvement in some of South East Queensland's largest and most influential projects.
